Good afternoon ladies and gentlemen
As I am standing here in front of
you. I am here to thank you all for
~~the best~~ teaching us how to play
sports. I thank coaches for teaching
us how to play Cricket, Soccer,
Tennis and golf. I really appreciate
it and it was fun and very wonderful
for playing it with you and you
showed your kindness I really

thank you and give us special
food. Thank you

Thank you CARD

I thank you a lot. I thank the teachers, coaches and Kim and Ade. May the god bless you.

I appreciate your kindness. Just continue with your great work. I wish you a best time next year. Enjoy your everyday. You show us you empathy you knew more about our right. We will always love you. You show us and we understand. We did move it because you wanted us to move it.
